

Premium Wire Stripping Pliers

Premium Wire Stripping Plier

Roebuck **NEW**

- Suitable for removing insulation from cable without damaging the core.
- Spring loaded adjustable depth screw allows for easy setting of stripping diameter.
- Fitted with dual density soft grip handle for extra comfort.

Price Each

Order Code	Product Code	Length	1+	6+
WX5591	2521487	160mm (6.1/4")	£12.70	£12.06

Knipex Wire Stripping Pliers

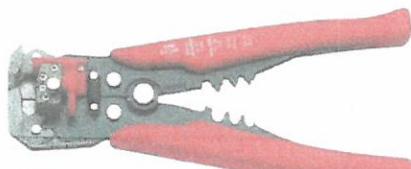

KNIPEX **NEW**

- Two colour, two component comfort grip handle.
- Locking adjustable screw for setting the diameter of wire to be stripped.
- For single multiple and fine stranded conductors with plastic or rubber insulation.
- Stripping capacity 5mm Diameter or 10mm?

Price Each

WX5592	11 02 160	10mm	£18.74	£17.80

Automatic Wire Stripper

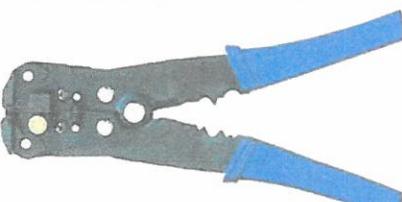

CK

- Strips, cuts and crimps all in 1 tool.
- Strips automatically in a single motion without adjustment.
- Crimping of insulated and non insulated terminals.
- Hardened steel blades ensures long life.
- Easy action with long comfortable handles.
- Stripping Capacity: 0.2 - 6.0 sq mm Copper or Aluminium wire.
- Cutting - Wire HRC 40-50. Crimping 1.5, 2.5, 6.0mm insulated terminals, 1.5, 2.5, 4.0, 6.0mm non insulated terminals and non insulated spades.

WX30952	PA1651/8H0	£17.99	£16.99

Semi Automatic Wire Strippers

MILLER® **RIPLEY**

- Ergonomic design with Non-slip handles.
- Built in wire cutter can be used for end trimming.
- Fine adjusters to accommodate varying insulation thickness and tool cycle characteristics.
- Replaceable stripper jaws and cutter blade prolongs tool life.
- Multiple independent strip blades that contour to each conductor.

PS1:
Lightweight and compact size for more intricate applications. Designed for small cross-sectional PVC wires up to 1.5 mm² (0.057 inches, 15 awg). Allows for precision work and lower fatigue. Supplied with interchangeable gripping pads to suit different insulation types. 156x85x13mm, Weight: 79g

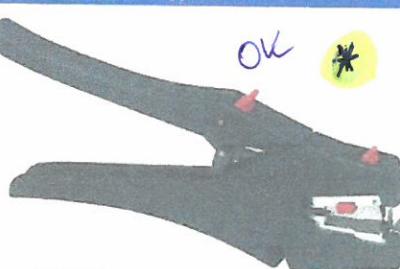

PS2:

Built in strip stop for constant strip lengths. Ideal for repetitive strip configuration used in electrical installs and maintenance. Strips and cuts PVC insulated wire up to 6.0mm² (0.126 inches, 10awg) down to 0.08mm² (27awg). 230mm, Weight: 193g

Price Each

Order Code	Product Code	1+	5+
WX51009	39760	PS1	£34.66
WX51010	39780	PS2	£34.66

Self Adjusting Wire Stripper

MILLER® **RIPLEY**

- MAXISTRIP V16 Self-adjusting Wire Stripper.
- Heavy duty wire and cable stripper ideal for electricians.
- Self-adjusting over its capacity range.
- Features profile stripping blades allowing for efficient stripping of wire and cable.
- User friendly design offers variable gripping power and minimizes operator fatigue.
- Also includes built in wire cutter and an adjustable strip length stop.

Stripping: 0.5 - 16mm²

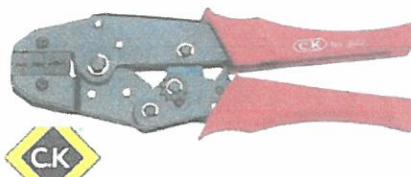

- Cutting: up to 6mm² multi stranded.
- Dimensions: 225(L)x100(H)x20mm(W)
- Weight: 285g

Price Each

WX51008	39485	Maxistrip V16	£49.89

Crimping Tools

Ratchet Crimping Plier - Insulated Terminals

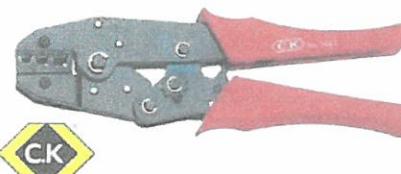

OK

- Ratcheting Crimping Pliers for Insulated terminals.
- Colour coding for easy die selection. Red, Blue, Yellow.
- Crimping capacity: 0.5 - 6.0 sq mm (20 - 10 AWG).

Price Each

Order Code	Product Code	1+	6+
WX30379	430021	£35.24	£33.29

Ratchet Crimping Plier - Cable Links

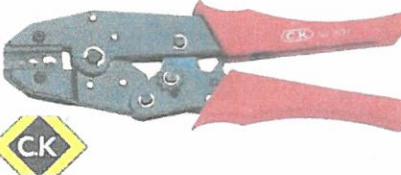

OK

- Ratcheting Crimping Pliers for Cable Links.
- Insulated and Non Insulated cable links.
- Crimping capacity: 10 - 25 sq mm (7 - 3 AWG).

Price Each

Order Code	Product Code	1+	6+
WX30380	430022	£43.50	£41.06

Ratchet Crimping Plier - Non Insulated Terminals

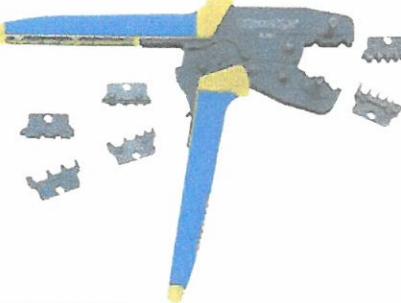

OK

- Ratcheting Crimping Pliers for Non Insulated Terminals.
- Crimping capacity: 1.5 - 10 sq mm (16 - 7 AWG).

Price Each

Order Code	Product Code	1+	6+
WX30381	430025	£36.75	£34.71

3 in 1 Ratchet Crimping Pliers

Klauke® A Textron Company

- 3-in-1 ratchet crimping tool, suitable for:
- Bootlace ferrules up to 10mm².
- Cu Tube up to 10mm².
- Pre-insulated connectors (Red/ Blue/ Yellow).
- Uses interchangeable crimping dies.
- Un-used dies are stored in the inner of the handles.
